

Senior researcher (César Nombela grant)

Guadalupe Sabio Laboratory

Centro Nacional de Investigaciones Oncológicas (CNIO) - Madrid

Within the 2024 call of the [Talented Research Scientists Recruitment Programme](#), “César Nombela” grants, we are looking for a scientist who have obtained a PhD between January 1st, 2014 and December 31st, 2021.

The Programme grants a **full-time Senior researcher position for 5 years** to experienced PhDs who have carried out pre-doctoral and/or post-doctoral stays in an R&D centre outside Spain. Additional funds (up to 200,000 €) will also be granted for the development of the research project.

In order to complete all the necessary internal procedures, please contact Dr **Guadalupe Sabio** (gsabio@cnio.es). Applications must be submitted **before 6 May 2024**.

Beneficiaries:

- Open to candidates of any nationality (regardless of where the PhD degree was obtained).
- PhD degree obtained between January 1st, 2014 and December 31st, 2021.
- Candidates must have been employed in a foreign research centre (as a predoctoral or postdoctoral researcher) for a minimum period of 2 years out of the last five years.

Gross salary: 40,000 € (years 1-3), 47,000 € (years 4-5, in the case that the doctoral researcher has obtained the R3 certificate accrediting the positive evaluation as an established researcher).
